

Dear Parents,

We are excited to be continuing our Adventureach Teams program. Last year we were blessed to run all our programs with no positive contacts of Covid-19 at any Adventureach Programs. To continue to operate safely we will need the co-operation of all participants and parents. If you are uncomfortable with any of the protocols or guidelines we have put in place, please feel free to contact us. We hope that everyone understands we reserve the right to send any participant or parent home that refuses to follow the new rules or fails to think more highly of others in their behavior.

Most our practices we have sourced from:

Field Guide for Camps on Implementation of CDC Guidance Prepared for: American Camp Association and YMCA of the USA

The major changes and guidelines we need parents and participants to be aware of before they choose to participate are the following:

- Adventureach Teams will be entirely outdoors and there will be no air conditioning.
- No participant or parents should come to camp if they have been exposed to someone showing symptoms or have come in contact with someone with a confirmed case of Cov-19.
- No participant or parents should come to camp if they or someone in their immediate household is showing symptoms or has a fever.
- All participants will have their temperature taken upon arrival and any participant with a fever will be asked to immediately leave with their parent, guardian, or ride. Parents should wait until their participant's temperature is taken and then leave in accordance with state guidelines.
- All participants and staff will be required to have a face covering in case the group must shelter in place due to an emergency and is unable to maintain safe social distancing.
- All participants and staff will be required to provide their own lunches, snacks, re-fillable water bottles, bug-spray, sunblock, hand-sanitizer, and any other personal items.
- Only a staff person will re-fill water bottles; only after hand sanitizing and using a designated clean hand to press the spigot.
- All participants and staff will wear a helmet with a built-in face covering during all activities where social distancing is not appropriate. (participants and staff may choose to also wear another mask inside their helmet.)
- All participants and staff will have designated equipment that will only be used by them. The use of shared equipment will be minimized.

- All participants and staff must hand sanitize after each activity that uses shared surfaces or equipment.
- In between activities all participants and staff will maintain 6 feet social distancing for briefs, debriefs, snacks, lunches, and any other breaks under shade tents.
- All changing stations, bathrooms, and shared spaces or equipment will be cleaned every day.
- Pool:

We appreciate you taking the time to read these guidelines and we look forward to working with you this year. Together we look forward to offering a safe and fun camp experience. If you have more questions or concerns or for elaboration on our practices, please contact us at info@adventureach.org

Please Make sure to also read the Adventureach Teams information sheet below.

Adventureach Teams Spring 2021 Information Sheet

All ADVENTUREACH programs for 2021 will be free; we desire to impact any youth who desires to challenge themselves physically and spiritually and we don't want anyone to be left out. If you support ADVENTUREACH and our mission and are able we would appreciate any one-time or monthly donations you can give. We also appreciate your continued support through prayer, volunteering, and spreading the word about our programs.

To accommodate the numbers, we have interested in Adventureach Teams participants are only allowed to register for one A-Week time slot and one B-Week time slot. To register for B-Week participants must already be registered for an A-week time slot. We apologize for any inconvenience but this will allow us to have content tailored to the age maturity of participants while also accommodating the peer discipleship that is integral to Adventureach. This also allows us to meet weekly with those who are interested and able which we are very excited about! Thank you for your understanding. If these changes would make your child unable to attend at all please contact us at info@adventureach.org

Every time slot requires a minimum number of participants to run. If you are registered for a time slot that does not fill, we will contact you to find an alternative.

Participants will need to bring:

Athletic clothing and footwear
Re-fillable water bottle
Hand sanitizer
Bible - Available upon request
(optional)
Sunblock
Bug spray
